GROVER NAMED ADMINISTRATIVE ASSISTANT AT GOULD ACADEMY

Acting Headmaster Samuel Bigelow of Gould Academy has announced the appointment of John T. Grover as his administrative assistant.

John T. Grover

Mr. Grover is a graduate of Northeastern University with a B. S. degree in Civil Engineering. He holds a rank of lieutenant colonel in the Air Force Reserve. For 20 years he was employed by the Southern New England Telephone Company of New Haven, Conn.

Mr. and Mrs. Grover and their family have had a summer residence in Bethel for many years and are now residents of Bethel, having purchased a home on Main Street.

Mr. Grover has been teaching college preparatory physics and freshman science; he will continue with his teaching in addition to the new administrative responsibilities.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The State Auditor arrived at the office Monday. It will take him a week or more after he completes his work here to submit a report. We have a net gain for the year of \$22,103.87. Considering the large overdraft in the Winter Roads Account we were fortunate in that other accounts had balances enough to offset the deficit.

A budget committee meeting is slated for Monday night. Anyone with projects in mind that will require an appropriation at town meeting, should submit them soon so that they may be considered by the selectmen and budget committee.

The selectmen, at their meeting last Monday night made recommendations for the budget committee to consider. It is felt we must prepare ourselves financially for an addition to the town garage and also for a complete revaluation of all property in town. The latter is expensive and a fund started now would be of great assistance in the future.

'68 BUDGET APPROVED BY S. A. D. 44 DIRECTORS AT MEETING LAST WEEK

A special meeting of the board of directors of S. A. D. 44 was held at the Locke Mills Elementary School, on Tuesday evening, Jan. 23. They approved the budget for the 1968 fiscal year.

At a board meeting held on Monday, Jan. 22, the board approved the sale of the 1958 Chevrolet spare bus to the West Sumner Church for \$300.00.

The date of the annual district meeting has been set for Thursday, Feb. 29, 7:30 p. m., at the Gould Academy Auditorium.

The next regular meeting of the board will be held Monday, Feb. 5, 7:30 p. m., at the R. C. Foster School, Newry.

The proposed budget and explanatory comments appear on Page Five.

MUNDT-ALLEN POST TO COLLECT PAPER-BACK BOOKS SAT. AFTERNOON

As part of a nationwide campaign conducted by American Legion Posts, the members of Mundt-Allen Post have planned a drive to collect pocket size paper back books to be distributed to servicemen on duty in Vietnam.

Members of the local organization plan to make a complete canvass of the town on Saturday afternoon, Feb. 3, starting at 1 o'clock. If you have pocket size editions of any type which you are willing to share with our fighting men, please have them ready when someone calls. The Boy Scouts will assist the Legion Post in this project.

Following the collection of the books, members of the Auxiliary have volunteered to assist with the packaging and wrapping for mailing.

PLANS PROGRESS AT YOUTH CENTER MEETING

A second meeting of those interested in a Bethel Youth Center was held at the Methodist Church on Monday evening with 33 adults and nine teenagers present. The discussion was led by Lincoln Fliske.

Richard Blake looked into the insurance coverage for the church and found it to be adequate, even with the Youth Center. Two rest rooms are not necessary, if there is one complete one. If it was decided to have the two rest rooms it would cost about \$800.

Arthur Gouin of the Extension Service from Norway gave a brief talk about the way the Norway center is operated and some of the problems they encountered and how they are solving them.

The teenagers felt a great need for a place to meet and felt that it was needed more in the afternoon than evenings and on week-end nights and Sundays. It also should be opened as soon as possible and not wait until all the equipment is obtained.

The teenagers are more than willing to work for it and would like to have a say in what they want and a chance to work with the adult leaders. All felt that the college age group should be able to use the facilities whenever they are home. When Telstar Regional High School opens next year all will be welcome to use it, but the Bethel group will have priority.

The equipment will either be donated by groups or organization—continued on Page Four

CROWNING OF QUEEN AND SKI MOVIE TO BE HELD THIS SATURDAY EVENING

Come one, come all to the William Bingham Auditorium on Saturday evening, Feb. 3. The crowning of the Queen for the Bethel Winter Carnival sponsored by the Greater Bethel Chamber of Commerce will take place at 8 o'clock. This will be followed by a 45-minute Warren Miller ski movie.

An added attraction of the evening will be the one and only Rolfe Glines rattling his bones. Rolfe is coming out of moth balls after a long absence.

A newcomer to town, Ben Warner, will render a delightful tune on the banjo, and raise his voice in melodious song.

CURRICULUM WORKSHOP AT CRESCENT PARK NEXT MONDAY, FEB. 5

Monday, Feb. 5, teachers in grades 7-12 will hold an all-day curriculum workshop at Crescent Park School. There will be no school for students in grades 7-12 attending Crescent Park School, Woodstock High School, or Andover High School.

OFFICE OF EDUCATION APPROVES SUPPLEMENTARY EDUCATION PROJECTS

Edmund S. Muskie, D. Maine, has been advised that the Office of Education has approved four so-called supplementary educational projects for Maine.

The four approvals, made under Title 3 of the Elementary and Secondary Education Act of 1965, were of planning projects.

The first is for a statewide program, proposed by the Auburn Educational Department, to develop leadership ability in elementary school principals through a series of workshops in administration, guidance, supervision, library usage and curriculum development. (\$14,960).

The second project, proposed by the Maine Department of Education, calls for a rural school program emphasizing curriculum development, inservice teacher training, organizational procedures, and grouping of students. The program will serve Aroostook, Penobscot, Somerset and Washington Counties. (\$49,400).

The third program proposed by School District 44 of Bethel, is aimed at developing flexible time scheduling in inflexible school buildings. (\$36,260).

The fourth program, proposed by the Yarmouth School Department, will be the development of a course in ocean sciences for grades 3-12. (\$22,300).

BETHEL CANDIDATES MUST FILE BY FEBRUARY 19

Anyone desiring to appear on the Bethel ballot as a candidate for local office at the March 4 town meeting is reminded that nomination petitions must be in the hands of the Town Clerk by Monday, Feb. 19. State law requires that such petitions be in the clerk's possession 14 days prior to the date of voting.

Two positions on the S.A.D. 44 Board of Directors for terms of three years are up for contention this year in Bethel. The terms of John Tebbets and Mrs. Joan Wiese are ending this March. Mrs. Wiese was appointed to fill a vacancy created by the resignation of Mrs. Phyllis Dock late last summer. Bethel voters will also be asked to choose a School Director for a two year term. This is necessitated by the resignation of Rev. Robert Jackson last December. Ted Chadbourne was appointed this week by the Selectmen to serve until town meeting. As of Wednesday evening of this week no one had obtained nomination papers for these positions.

Local voters will also choose two Selectmen and two Assessors for three year terms. The terms of James E. Hutchins and John K. Brown expire this March. Reportedly Rodney E. Eames plans to resign as Selectman and Assessor, so it will be apparently necessary for local voters to choose someone for two years to complete his unexpired term in these offices.

Mr. Hutchins is completing three years on the Board while Mr. Brown is finishing a two year term to which he was elected following the resignation of Michael Stowell two years ago. Mr. Eames has served four years, having been re-elected last year to the Board.

The present Board chairman, Mr. Brown, has indicated that he will seek re-election. As of Wednesday evening no other candidates had obtained nomination papers from the Clerk's office.

Also appearing on the ballot will be the office of Town Clerk for a term of one year. The incumbent, Mrs. Violet M. Bennett, has indicated that she will seek another year at the post.

Although it did not appear on the 1967 town meeting ballot, it is believed in some quarters that the position of Fire Ward for one year will again be present. This was one of the offices approved by local voters to be elected by Australian ballot several years ago.

MANAGEMENT CLUB TO MEET AT SOUTH PARIS NEXT MONDAY EVENING

The February dinner and speaker meeting of the Western Maine Industrial Management Club will be held at the Universalist Church, Pine St., South Paris, Monday, Feb. 5, at 6:30 p. m.

Speaker of the evening will be Marthon G. Tolman, director of admissions at Southern Maine Vocational Technical Institute. He will speak on "Trends in Industrial Education".

Henry Stone of West Paris will furnish dinner music with his electric organ. The Twin Beats, Misses Diane Muffitt and Debbie Ward, will furnish the evening's entertainment.

WEEK IN OXFORD CO.

The first town manager for Buckfield will begin his duties on March 16. Richard F. Blanchard of Cumberland has been hired to fill this position. Mr. Blanchard has served the town of Cumberland for a number of years in town affairs. He is a former Oxford County Agricultural Extension Agent. He was a dairy farmer for 28 years. He is a graduate of the University of Maine. Mr. and Mrs. Blanchard have two children and three grandchildren.

The Oxford County Agricultural Society has announced that it has purchased 100 acres of land in Oxford near the Oxford-Norway town line from the Transport Leasing Corp., a subsidiary of Sanborn's Motor Express Co., of Oxford and Portland, Clearing of the land will start soon with construction of facilities in the spring. The society hopes to be back in the fair business in the fall of 1968.

Mike Pulla, athletic director of Stephens Athletic Department, announces that applications for head football coach at Stephens High School are being accepted. The Panthers have had no head coach since the untimely death of Jimmy Cutler last October.

Julie Grace of Fryeburg Academy won the slalom in 90.4 and the giant slalom in 40.3 as Fryeburg defeated Gould Academy girls, 199-171 in a ski meet at Starks Hill, Fryeburg, Saturday.

Rev. Don E. White, missionary, evangelist and pilot, spoke at the Norway Baptist Church Tuesday evening. Mr. White has spent eight years in overseas ministry.

Miss Lorraine Bennett, daughter of Mr. and Mrs. Stanley Bennett, of Buckfield, has been named 1968 Homemaker from Buckfield High School. Her test paper has been entered for state and national honors.

The nomination papers must be in the hands of the Andover Town Clerk, Elsie Dresser, on or before Feb. 16, 1968, to elect by secret ballot, under the provisions of Section 37 Chapter 90-A revised statutes of the State of Maine the following town officers: Town Clerk; Treasurer; Selectman, assessor and overseer of the poor; Road Commissioner, Fire Chief, SAD 44 Director for a one year term and one for a three year term.

A volleyball tournament was held at the Andover Gym on Friday evening for the benefit of the March of Dimes. Coach Theodore Ruark had charge of the games. A series of games were enjoyed. The first games were between the Senior and Junior classes with the seniors winning. The second series were the Sophomores against the Freshmen with Freshmen as winners. The Sophomores played the Juniors but the two teams that played to the finish were the Freshmen and the Seniors. The Freshmen were the school champs. Playing on the winning team were Christene Coolidge, Wendy Glover, Lois Graham, Phillip Mills, Kerry Meisner, Richard Jodrey, Harold Learned, Lee Frazier, Mike Spidell and Donna Dunham. The losers were Steve Knox, Marshall Meisner, Tim Michaud, Mary Abbott, Charlotte Coolidge, David Smith and David Hutchins.

Playing for the Sophomores were Brenda Bailey, Sandra Spidell, June Bailey, Barry Swasey, Randy Knox and Larry Stinson. The Junior players were John Sylvester, Paul Salway, Martha Knox, Helen Glover, Mary Sylvester, Beverly Coolidge and Judy Spidell.

Town Chairman, Mrs. Robert B. Swain, wishes to thank all those who helped in any way to make this project a success. Special thanks to Coach Ruark, Henry Roberts and Ira Bodwell. The cheerleaders sold refreshments.

Mrs. Arthur Whitten, Mrs. Vard Perkins, and Mrs. Bert Akers were in Norway on Saturday to visit with Mrs. Whitten's mother, Mrs. Lewis Morton Sr. who is a patient at the Pike's nursing home.

St. Mary's Church in Bangor was the setting for the marriage of Linda Cousins, daughter of Mr. and Mrs. Horace E. Cousins, Brewer, to Dexter Blanchard, son of Mr. and Mrs. Claude Blanchard Sr., of Andover on Jan. 27. The bride is a sophomore at the University of Maine. The groom is a junior at the University of Maine having transferred there after being at the University of Idaho for one year. Mr. Blanchard served two years in the army, thirteen months of this time was spent in Viet Nam. He graduated from Andover High School in 1961.

Attending from Andover were his parents, Mr. and Mrs. Claude Blanchard Sr. and two brothers, Patrick and Mark. Kevin White, Rumford, a classmate of the groom served as best man.

A reception was held at the Masonic Hall in Orrington. Both Mr. and Mrs. Blanchard will return to their studies at the University of Maine.

Andover Congregational Church The Youth Group will not meet again until further notice.

The Ladies Aid Food Sale to be held on Saturday will feature baked beans and breads. Coffee and doughnuts will be on sale that day at the sale. Sale begins at 1:00 p. m. at the Arts and Crafts Room on Main Street.

The worship service was held on Sunday in the Christian Education Building. The Sunday School rooms are upstairs and the entire Sunday School meets downstairs for the first part of the hour. Supl. Eddie Snyder is in need of adult teachers to take care of the larger classes. If interested please contact Mr. Snyder or the pastor.

Herman Sauret underwent surgery at the CMG Hospital in Lewiston on Jan. 26 and is expected to be home by the end of this week.

Mrs. Robert B. Swain was an overnight guest of friends in Worcester, Mass., on Friday evening.

CARD OF THANKS

I wish to thank all my friends and relatives for the many nice cards, and flowers from my family and the American Legion sent me while in the hospital, and thanks to the doctors and nurses at Stephens Memorial Hospital.

FOUR CHAPLAINS GAVE
LIVES 23 YEARS AGO

It was an icy February dawn 23 years ago and the American troop ship, USS Dorchester, plowed through the cold, black, churning water off Greenland. Then came a Nazi torpedo ripping into the heart of the troop ship crowded with men. Having given their life jackets to soldiers who had left theirs below decks, four chaplains, a Catholic priest, a Jewish rabbi and two Protestant ministers, went down with the ship. They were last seen standing with locked arms, each uttering his own prayer.

Four Men of God

Four men of God put out to sea; (Washington, Poling, Fox and Goode)

Their God was one, though their faiths were three; And the men who worshipped their God were free

Where the Cross and the Star together stood.

Four men of God went down at sea, (Washington, Poling, Fox and Goode)

Bound by a passion for Liberty And a burning faith that keeps men free

In the bond of human brotherhood. —Joseph Auslander

brought her guitar and, with Mrs. Emmons playing various other instruments, they enjoyed an evening of music.

Mrs. Donald Bennett is not working for a while due to an attack of bursitis in her shoulder.

tions of the town and fund-raising projects. The group felt that there should be membership dues and cards. The amount will be decided on at a later date.

It is hoped that the money the Bethel Players left, which is \$1,170, can be used at the present time for the Center. The fund originally was to be used for a Youth Center Building.

The group will be divided into grades 7-8 and 9-10-11-12. There will be two representatives from each grade 7-8 and one each from 9-10-11-12, and eight adult leaders. Rev. Laws and Rev. Stebbins were made honorary members.

Mr. Gouin has found it has worked far better to pay a small fee to teachers or some other qualified persons, and older teenagers to help with the guidance when possible. If for any reason the group could not meet at the Methodist Church

NANSEN INVITATIONAL SKI JUMPING EVENTS AT BERLIN, MARCH 3

A field of more than 50 top international jumpers are expected to compete in the forthcoming Nansen Invitational ski jumping events to be held in Berlin, N. H. The main jumping will take place Sunday, March 3, at the 181 foot high Berlin ski jump, the highest steel structure jump in the U. S.

Nansen Ski Club acting president Ernie Boucher stated that six top Canadian jumpers are scheduled to compete. Two of these Canadian jumpers are competitors in the Olympic jumping event.

Preliminary jumping will take place March 3 between 1:00-2:00, with the main jumping event starting at 2:00.

Other week end events include hockey, snowmobile races, skating events, snow sculpture contest, carnival ball and banquet.

A carnival queen chosen from candidates sponsored by the Lions, the Rotary Club and the Jaycees, will reign over the events.

GOVERNMENT CAN'T BUILD CHARACTER

Pessimists, who are inclined to think that all the answers to present day problems lie in more government direction of our lives, are failing to take into their reckoning what might be called almost a national movement to restore to its rightful position the leadership and initiative of private citizens. There are many things government cannot do and one of them is to build character. We are reminded of this with the coming observance of Boy Scout Week, February 7-13.

In speaking to the annual meeting of the Boy Scouts of America, James M. Patterson, an executive of the American Oil Company, declared, "Youth movements in many other lands have lacked voluntary action. They have discounted the importance of individual initiative and self-reliance, and have substituted blind obedience to a central authority. We have in Scouting and in other voluntary youth movements the American answer to Communism and dictatorships. Scouting is working to tip the scales in the direction of liberty—it is the American way." Mr. Patterson said Scout leaders are helping develop character and effective citizenship at the time it is needed most. "With more than three million boys and girls coming to voting age every year," he said, "our hope for a better future is in their hands. More than 40 million men and boys have taken part in Boy Scout work since it was started 67 years ago."

Boy Scout Week is worthy of observation by youth and adult

MAINE AS I SEE IT
 by Bill Caldwell (Guest Writer for the Department of Economic Development).

Damariscotta, Maine — "Jake's Rangers" pulled out of our Main Street with a flourish this Saturday noon. This trip is not for deer hunting (they got six deer this fall), and time is not yet ripe for their trout and salmon catching expeditions. This time it is snow-sledding on the new machines thousands of Mainers use to get out and enjoy the backwoods in dead winter.

The "Ranger" Colonel, Jake Day, Maine artist and Disney cartoonist, now 75, led the expedition. Bentley, the postmaster, and his brother Jack, the insurance agent; Eddie, who runs the Yellowfront grocery, and Mac, the veterinarian, plus their wives and kids, took off, loaded with food and blankets for a snow safari.

Heading out the other end of Main Street went the college and high school seniors brigade, with their car roofs looking like porcupines. Skis and poles stuck out all angles. This bunch is headed for the slopes at Saddleback and Sugarloaf, Lost Valley and nearby by Ski-Hi. What a weary, muscle-stretched bunch they will be when they come clobbering home in ski boots after sunset Sunday, gobble an enormous meal and head out again, back to their colleges.

Nell, the oil distributor, was out early with his Jeep snowplow. Out of the good of his heart, he scraped the new snow off the three town ponds, so the young fry, who are home-bound, can ice-skate all week end.

The ice-boats will be out too, skimming at 30 miles per hour just six inches over the glistening surface. If the winds blow up after lunch. Seems funny to see vestrymen, who looked so stiff and proper at Sunday services a few hours back, now garbed like winter pirates on the frozen water. By May, we'll be sailing together to offshore islands.

Far cry from those sooty city afternoons, spent curled up in a skyscraper apartment when the biggest muscle stretcher was to heft the big Sunday paper; then take a 10-minute walk around the slushy mire of city streets in winter. And Sunday fun for

BETHEL TROPHY WINNERS AT DIXFIELD SKI-MOBILE RALLY, SUNDAY
 Ben Kellogg was top man of the day at Dixfield's Ski-Mobile Rally Sunday, Jan. 28. He won three first places in the open class races using Ernest Angvine's modified 16 H. P. Ski-doo. Ben also won first places in the 14-16 H. P. Obstacle and Speed Races with his own 16 H. P. Ski-doo. George Angvine came in second and third respectively in the same races with his 14.5 H. P. Ski-doo. George Olson won second honor in the kids race with his 16 H. P. Ski-doo. Judy Angvine was first place winner in the Powder Puff competition.

The trophies are on display in Ernest Angvine's shop window. The trophies for the Winter Carnival Ski-Mobile races to be held in Bethel on Feb. 11 are also displayed there.

ECONOMIC OPPORTUNITY LOANS AVAILABLE THROUGH FARMERS HOME ADM.

Recent appropriations have made funds available for Economic Opportunity Loans through the Farmers Home Administration program. This announcement was made January 31 by Elwyn R. Morrow, County Supervisor in the Farmers Home Administration Office in South Paris.

These loans are made to qualifying low-income rural families for the development and acquisition of resources which will improve their incomes and thereby provide an improved standard of living. Farmers may obtain loans to improve their farming enterprise or to develop and expand a small business or service that may be needed in the area. Other rural people may obtain loans to finance or expand small businesses and services.

A rural family is one whose permanent residence is in the open country or in a place of less than 5500 population which is not a part of an urban area. Loans of this type are repayable over periods up to 15 years and bear interest at 4 1/8 percent on the unpaid principal balance. A borrower's total economic opportunity loan indebtedness may not exceed \$3500.

Economic Opportunity loans are also made to cooperatives servicing low-income rural people and providing processing, purchasing or marketing services. These loans are repayable over a 30 year period and bear interest at 4 1/8 percent interest on the unpaid principal balance.

Loans are made to applicants unable to obtain their needed credit through other sources. Technical assistance is also provided in the planning and execution of enterprises and projects financed by this agency.

Additional information on Economic Opportunity loans may be obtained at the Farmers Home Administration office located on the second floor of the Masonic Building in South Paris.

This bunch is headed for the slopes at Saddleback and Sugarloaf, Lost Valley and nearby by Ski-Hi. What a weary, muscle-stretched bunch they will be when they come clobbering home in ski boots after sunset Sunday, gobble an enormous meal and head out again, back to their colleges.

Nell, the oil distributor, was out early with his Jeep snowplow. Out of the good of his heart, he scraped the new snow off the three town ponds, so the young fry, who are home-bound, can ice-skate all week end.

The ice-boats will be out too, skimming at 30 miles per hour just six inches over the glistening surface. If the winds blow up after lunch. Seems funny to see vestrymen, who looked so stiff and proper at Sunday services a few hours back, now garbed like winter pirates on the frozen water. By May, we'll be sailing together to offshore islands.

Far cry from those sooty city afternoons, spent curled up in a skyscraper apartment when the biggest muscle stretcher was to heft the big Sunday paper; then take a 10-minute walk around the slushy mire of city streets in winter. And Sunday fun for

MAINE AS I SEE IT
 by Bill Caldwell (Guest Writer for the Department of Economic Development).

Damariscotta, Maine — "Jake's Rangers" pulled out of our Main Street with a flourish this Saturday noon. This trip is not for deer hunting (they got six deer this fall), and time is not yet ripe for their trout and salmon catching expeditions. This time it is snow-sledding on the new machines thousands of Mainers use to get out and enjoy the backwoods in dead winter.

The "Ranger" Colonel, Jake Day, Maine artist and Disney cartoonist, now 75, led the expedition. Bentley, the postmaster, and his brother Jack, the insurance agent; Eddie, who runs the Yellowfront grocery, and Mac, the veterinarian, plus their wives and kids, took off, loaded with food and blankets for a snow safari.

Heading out the other end of Main Street went the college and high school seniors brigade, with their car roofs looking like porcupines. Skis and poles stuck out all angles. This bunch is headed for the slopes at Saddleback and Sugarloaf, Lost Valley and nearby by Ski-Hi. What a weary, muscle-stretched bunch they will be when they come clobbering home in ski boots after sunset Sunday, gobble an enormous meal and head out again, back to their colleges.

Nell, the oil distributor, was out early with his Jeep snowplow. Out of the good of his heart, he scraped the new snow off the three town ponds, so the young fry, who are home-bound, can ice-skate all week end.

GOV. CURTIS PROCLAIMS FEBRUARY AS HEART MONTH

Governor Kenneth M. Curtis has proclaimed February to be Heart Month in the State of Maine.

Governor Curtis' Proclamation stated that "diseases of the heart and blood vessels are this State's and the Nation's Number One Health Enemy, accounting for more deaths than all other causes combined."

"Leading heart authorities agree that medical science is on the verge of important breakthroughs to further control heart and blood vessel diseases."

"The Heart Fund is our best defense against these diseases supporting vital research and making possible professional and public education and community service to bring the benefits of new knowledge to all citizens."

Governor Curtis also urged "our citizens, in their family circles, to assist in achieving this goal by contributing generously to the Heart Fund Drive of the Maine Heart Association."

Harold L. Osher, M. D., Portland, President of the Maine Heart Association, stated that the Governor's Proclamation swings into motion the 1968 campaign in which more than 20,000 volunteers from 503 Maine communities will participate during the month of February.

On Monday President Lyndon B. Johnson, while proclaiming February as Heart Month said "heart and circulatory diseases were responsible, last year, for almost a million deaths throughout the nation". President Johnson suffered a heart attack in 1954.

\$461,400.00
Explanatory Notes on 1968 Budget
Administration—1967, \$23,740.00; 1968, \$34,300.00.
Increases due to: additional part time secretarial help, higher wages for secretaries, bookkeeper, contracted salary of the Superintendent; additional and new equipment.
Instruction — 1967, \$388,312.00; 1968, \$589,249.00.
Increases due to: a higher salary schedule for teachers; 27 additional staff members for the new high school; 3 additional staff members for the elementary schools; initial outlay for textbooks, library books and audio visual materials for the new high school.
Attendance — 1967, \$100.00; 1968, \$100.00.
Health — 1967, \$1,400.00; 1968, \$4,900.00.
Transportation of pupils — 1967, \$54,093.00; 1968, \$88,000.00.
Increases due to: plans to purchase 4 new buses (\$20,000, raised in 1967, which is to be used); additional drivers and expenses to operate buses, plus increases for present contractors due to increased mileage.
Operation of Plant — 1967, \$41,978.00; 1968-69, \$69,842.66.
Increases due to: additional personnel needed for maintenance and custodial staff for the new high school; wage increases for custodial staff; additional costs for heat, electricity and telephone service for the new high school; additional custodial supplies for the new high school.
Maintenance of Plant—1967, \$20,570.00; 1968, \$11,418.00.
Decreases due to: plans to close five of the smaller buildings in the District, plus major renovation for some of the buildings are under the capital outlay account.

Fixed Charges — 1967, \$9,038.00; 1968, \$18,300.00.

Increases due to: employee retirement (additional personnel); additional insurance for new high school; higher interest rates on current loans.

Student Body Activities — 1967, \$550.00; 1968, \$3,100.00.

Increases due to: The numerous start-up costs for the new high school. After the new school is in operation this account should be self supporting.

Capital Outlay — 1967, \$2,000.00; 1968, \$98,317.00.

Increases due to: a) New Building Finance should have been included under this account last year for 1968. The New Building Finance costs are \$28,053.00, of which \$27,645.00 will come from the reserve fund set up last year.

b) Interest on the State's Share of Bonds, which amounts to \$48,000.00, is included here and is to be totally reimbursed by the State. c) purchase of athletic uniforms for football, basketball, and the fall and winter sports program for the new school are included (\$10,000.00). d) Renovations for the schools at Woodstock are included here (\$4,600.). e) Additional math equipment for the new high school is also included (\$4,280.00). f) New equipment for the elementary schools is also included (\$2,146.). g) New equipment for the administrative office is included (1,338.).

Outgoing Transfer Accounts — 1967, \$187,800.; 1968, \$102,703.

Decrease because the major portion of this account will be paid out for tuition from January to June.

Debt Service — 1967, \$11,050; 1968, \$5,559.34.

Decrease because one of the notes on the Crescent Park School was paid up in 1967.

Food Service — 1967, —0—; 1968, \$7,000.00.

A new cost due to the start-up costs of the hot lunch program for the new high school.

Title I Federal Funds, which are reimbursed.

Title III Federal Funds, which are reimbursed.

CAST-OFF ANTLERS MAKE PROFIT FOR WEST PARIS NATIVE

A West Paris Mainer has contrived a scheme for making hay with cast off deer and moose antlers.

Last year Jim Mason and his wife, son and daughter, picked up some 200 deer and 14 moose antlers which the animals had shed in their winter yards, fashioned them into novelties such as candlesticks, lamps — even coffee tables — and sold them to a Maine mail order house and to gift shops throughout the state.

One of Mason's creations was loaned to the Department of Economic Development for use in the State of Maine exhibit at the Eastern States Exposition at West Springfield, Massachusetts — a chair contrived of 13 pairs of white-tail deer antlers, one of moose, two of elk and one of fallow deer. (The elk and fallow deer antlers were discarded by the animals at a Maine game farm.)

Exhibit attendants described the chair as being reasonably comfortable providing the sitter took care to remain upon the upholstered area.

GREENWOOD CITY

— Mrs. Collette Morgan, 47, of...

As this comes to you it will be our second month of the year, the shortest, the flower the primrose, its jewel the anemone. The name comes from the Latin word meaning to purify. February was the month the Romans purified themselves for religious festivals. It is also the "birth-day month." People greet in music, writing, invention, sports, pi-ces and people who devoted their lives to the welfare of their country were born in this month. The lives of the two men uppermost in our minds, Lincoln and Washington, have similarities. Neither was eager for fame or power. Both before their terms expired grew to be tired men and longed only to return home and pass their days in peace and quiet among their loved ones.

But this month as we think of our national heroes let's also think of the faithful people in all walks of life who have not attained fame but are striving to do their "little bit" in the necessary things in this troubled old world.

Miss Lillian Curtis called on her aunt, Mrs. Clyde Morgan on Sunday.

A letter from Victoria this week tells of a busy two weeks of work on the tracks, one having a cracked fuel cell and re-

ceiving a new one, the return trip to Kootenai, the taking of a track by a white and the loss of a "Buddy."

Weather wise—The old day looks like a shower sometime tonight. It has been several days since our last one. I really hope it is a lot longer yet. The dust is tough easier to contend with than the sand and water.

Doris Hayes is feeling much better. She and Collette Morgan had supper with Agnes Gray on Wednesday. Dorothy Rose, her mother, Lyndell Farr, Louise Coffin, Doris Slattery, Mrs. Campbell and Mrs. Stellhorn were also supper guests.

Robert Holt, Bangor, was at his home here over the week end.

Roy Millett, who was taken by ambulance to the St. Joseph's Memorial Hospital on Thursday is some better and talking slowly.

Golden Wedding

Mr. and Mrs. Chester Morrey quietly celebrated their golden wedding anniversary at South Paris on Betts Hill where they have lived in their trailer home for the past four years. Chester and Katherine (Gregg) Morrey were married by Rev. H. L. Nichols in Norway, January 25, 1912. They have eight children and twenty-three grandchildren. For many years they were in Greenwood on a farm on Young Hill.

Their children presented them

NEWRY

— Miss Amy E. Manton, Cor., —

Miss Claire Backseder was a week end guest of Mr. and Mrs. Paul Stewart, Thomaston.

Arthur Stacey, Bridgton, State Highway District Supervisor, and Doris Slattery, Harrison, of the Maine Forest Service, called on Roger Hanson one day last week.

Tammy Learned returned home Saturday from the Rumford Community Hospital.

Several of the school children have been sick this past week.

Doris Lane has been unable to work for two weeks because of illness.

Mr. and Mrs. Marvin Powers of Rumford visited his parents, last Saturday.

Sunday guests of Amy and Roger Hanson were Mr. and Mrs. Walter Howell and Mr. and Mrs. Arthur Cummings, Bethel, and Mrs. Ella Cole and Mrs. Dora Ford, Locke Mills.

With matching wedding bands, flowers and a wedding cake made by Fay Holt, they also received many cards and notes and a purse of money. Three children, Donald of Conn., Lloyd of Arizona, and Barbara of Washington, were unable to join them but remembered them with messages and gifts. Their other children are Katherine, Greenwood City, Marie, South Paris, Ivan

SOUTH WOODSTOCK

— Mrs. Olive Davis, Cor., —

Rebecca Andrews is home from the U. of M. for mid-term vacation. She spent part of the week with her roommates, Monique Dumas at Bangor.

Mr. and Mrs. George Shephard of South Weymouth, called on Mr. and Mrs. Harlan Andrews this week.

The Grange meeting will be Jan. 5 at the Grange Hall when part of the program will consist of preparing the hall for Oxford Pomona which will be on the evening of the 6th, Tuesday. Well see you then we hope, before a snow storm which is the usual weather the first part of February.

Olive Davis and Leila Brooks were up to Bryant Pond Sunday afternoon helping Vera Swan set up the tables for the Teachers' Legislative meeting to be held for Oxford County Teachers. The Franklin Grange Women's Society Committee is putting on a turkey supper for the occasion.

Gordon Davis has been ill with the flu the past week.

Mr. and Mrs. Lenwood Andrews took in the benefit supper for the fire victims who were and Roland, West Paris and Joyce Ham, Farmington, who presented them with their 23rd grandchild on the 26th of January.

WOODSTOCK

The newly formed Missionary Volunteer Society in the Rev. Mr. Day's Church will meet in the church at 7:30 on Friday evening, Feb. 2.

Elder Kenneth Hutchins will be present and a film will be shown. The new leaders, Herbert Hayes and Eric Martinsen, extend an invitation to all young people in this area to attend.

As the school held at the Town Hall in Locke Mills, on Saturday evening, Jan. 26, awards were given to those raising their goals in "togetherness." Grace Hurd raised the largest amount in the Senior Division and Jimmy Mason in the Young People's Division.

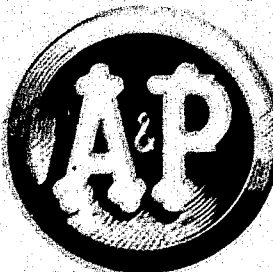

The total raised in the Sabbath School Investment this year amounted to \$600.75.

James out at Buckfield recently. Mrs. Maria Clements also attended the supper.

we care

Let's talk about budgets!

Budgeting is tough these days.

It seems that every time you turn around the cost of something is going up.

The economists tell us it's to be expected.

Maybe so, but it sure makes running a home difficult.

We wish we could tell you that A&P has the answer to all your difficulties, but we can't...no more can.

We can tell you this:

There is one guaranteed way to cut your food bill without sacrificing quality; buy A&P's own brands.

Hold it...don't scoff...we're serious.

We don't have our own private national brands

just to have low prices.

If it isn't a quality product, it can't carry the A&P Seal.

Take A&P Brand Canned or Frozen Vegetables for example.

They're GRADE "A"...you can't buy better.

If you buy A&P Brands,

we guarantee you'll reduce your total food bill.

We also guarantee you'll be pleased

with every A&P product you buy...unconditionally.

FROM OUR FILES

10 YEARS AGO

About 200 people attended the Organizational Service of the Dixfield Plains Church of the Nazarene. The new sanctuary was to be built on Weld and Newton Streets.

Fourteen men employed at the Oxford Paper Co., Rumford, were hospitalized when overcome by escaping chlorine gas at the Island Division mill.

Possibilities of recreational areas on the C. A. Stephens estate, Norway were being considered.

The Wildcat Mountain Ski Area in Pinkham Notch was officially opened on January 25.

Gilman Whitman of Bryant Pond announced he was seeking GOP nomination for State Representative from the district consisting of Paris, West Paris, Woodstock and Milton Plantation.

Death: Andrew J. Olson, aged 18 days.

20 YEARS AGO

P. H. Chadbourne was Oxford County Representative on the Board of Directors of the State of Maine Publicity Bureau.

Water supplies in some areas were getting low due to the extreme cold.

A county meeting of Rural Fire Prevention and Control was held at South Paris Grange Hall.

Gould Academy held first place in the Western Maine Conference basketball race.

Oxford County motorists were able to secure 1938 number plates at the Court House, South Paris, and the town hall, Rumford, on specified dates.

BOY SCOUT WEEK, FEB. 7-13

Next week, Feb. 7-13, is National Boy Scout Week. The public Boy Scout supper is on Saturday, Feb. 10, but there will be displays of Cub Pack, Scout Troop, and Explorer activities in various store windows during the week.

An Explorer Post was started in town last fall under the leadership of Frank Vogt and meets at the Fire Station once each month. This post takes in the high school age boys.

Sunday, Feb. 11, is Scout Sunday across the nation. Scouts will worship individually, and all local groups in uniform in churches of their choice or as invited in units.

Incidentally, Troop 565, could make use of several articles of the Scout uniform. For example: Scout shirts, also several Boy Scout handbooks. The latter do not need to be the latest edition. These items may be given to the Scoutmaster, Irving Cummings, or Assistant Scoutmaster, Clarence Howe, or Committeeman Ernest Mundt, or brought to the supper.

In Bethel there is a Cub Pack led by Donald Walker; Scout Troop led by Irving Cummings, and an Explorer Post, led by Frank Vogt. All local units are a part of the Rangeley District, which in turn is affiliated with the Pine Tree Council serving some 15,000 boys in the southwestern part of Maine.

LOCAL CHAMBER SPONSORS EIGHT WEEK ENDS OF WINTER ACTIVITIES

It's Winter Carnival Time. All over New England folks are getting together to enjoy the best of the winter months. While most communities make an all out push for one great big winter carnival week end, the people in the Bethel area have decided to make nearly the entire winter a carnival, by offering eight week ends of winter fun this season.

The young people started the winter festivities with the Mel Jodrey Trophy Race at the Sunday River Skiway on Sunday, Jan. 28.

Five attractive contestants will compete for the Winter Carnival Queen honor on Saturday, Feb. 3, at the Bingham Auditorium. This event, which gets underway at 8 p. m., will see numerous prizes for all contestants and will be followed by a Warren Miller ski movie.

On Sunday, Feb. 4, church services will be offered by Rev. George Stebbins at the Sunday River Skiway while Rev. Clifford Laws will be holding service at the Mt. Abram Ski Slopes. These services, which start at 7:30 a. m., will be followed by free breakfasts from 8 to 8:45 a. m.

On Feb. 10, it is Family Ski Races at both ski areas. The colorful races will have their final run-off at the Sunday River Skiway on Sunday, Feb. 11.

Not to be neglected certainly are those hearty outdoor people, "The Sno-Goers." On Saturday, Feb. 10, at 2:30 p. m., everyone is invited to meet on Vernon Street in Bethel and proceed on their sno-vehicles for a parade through Bethel village. Returning to Vernon Street the group will then leave via a well-marked trail through woods to Mt. Abram. After some social chitchat, they will be served supper by the Mt. Abram Ski Club. For those who do not own snow vehicles, the welcome mat is still out to watch the parade and to have supper at Mt. Abram.

Sunday, Feb. 11, is race day. Snow vehicles will race in numerous events and classifications at Bill Chapman's farm on the Northwest Bethel road. They will compete for the beautiful trophies now on display at Ernest Angvine's Shop on Main Street.

No winter program is complete without a Sno-Ball and the Trustees of the Bethel Lodge will hold their annual Sno-Ball Cabaret Saturday evening, Feb. 17. Tickets may be purchased for this event from Mrs. Don Brooks. Dancing will be from 8 to 12 to the music of Basil Green's five piece orchestra.

Residents of the greater Bethel area will be competing for a television set on Sunday, Feb. 18, when the judges pass through town observing the local handiwork in building snow sculpture. Details may be obtained by calling Mrs. Charles Newell at 824-2920.

It will be steak night on Saturday, Feb. 24, when the Chamber of Commerce and their wives put on a steak supper at the Ski Lodge at Sunday River. They will be serving steak, baked potato, tossed salad, french bread, coffee, and an ice cream sundae.

During the period March 1-22, the United States Eastern Amateur Association will be holding the Junior Alpine Races at the Sunday River Skiway. That same week end will see the colorful winter festivities of Gould Academy, one of the oldest preparatory schools in New England.

The following week end will be highlighted by bonfires, torchlight parade and fireworks at the

HEART FUND CAMPAIGN BEGINS TODAY

The 1968 Heart Fund Campaign, the annual month long drive to support the Maine and American Heart Associations' fight against heart and blood vessel diseases, began today, Feb. 1.

While announcing the opening of the campaign, Harold L. Osher, M. D., Portland, president of the Maine Heart Association stated, "The Heart Fund and the research that it supports has a special meaning to the people of Maine. According to the most recent Maine and U. S. vital statistics the state has one of the highest death rates from cardiovascular diseases of any state in the Union, accounting for more than 59 per cent of the total 10,915 deaths from all causes. Comparatively, this total is three times as many as die of cancer and ten times the fatalities from all categories of accidents." Dr. Osher said the research, education and community service programs of the Association, which are financed by the Heart Fund, are dedicated to the control of these diseases.

"While heart and blood vessel diseases continue to be the number one killers, many thousands of persons—children and adults alike—are alive today because of recent advances in prevention, treatment and rehabilitation," he said.

According to Dr. Osher 503 town and community chairmen and 20,000 volunteers will conduct the drive for funds during February.

Mt. Abram Ski Slopes on Saturday evening, March 9. On Sunday, March 10, skiers are invited to wear a costume for Ski Costume Day at both ski areas. Prizes will be awarded at the conclusion of the day's skiing.

Winding up this eight week period of winter activities will be a ski club supper and stomp sponsored by the Sunday River Ski Club to be held at the Skiway on Saturday evening, March 16. The following day the Wyman Trophy race will also be held at the Skiway.

Clarence Remington returned home last week from the Stephens Memorial Hospital in Norway.

Gregory Currier spent the week end with his sister, Mr. and Mrs. Clement St. Hilaire, in Rumford.

Vincent Palmer, son of Mr. and Mrs. Herman Palmer, is a patient at Stephens Memorial Hospital where he will be in traction for six or seven weeks.

An all-time record high of 8,589 course enrollments for the Continuing Education Division of the University of Maine was reported this fall. This compares to the 8,271 registrations in the fall of 1966, which at that time was also a record high according to CED associate director John M. Blake.

CARRIE J. HASTINGS

Carrie Jewett Hastings died early Friday morning, Jan. 26, 1968, at the home of her nephew, Henry H. Hastings, of Bethel, following a short illness.

She was born in Bethel, Aug. 1, 1875, the daughter of St. John and Elizabeth Atherton Hastings. She was the oldest living graduate of Gould Academy having been in the class of 1893 and attended Bates College. For many years she was employed at the Library of Congress in Washington, D. C.

Besides Mr. Hastings, she is survived by two other nephews, George Hastings, Darien, Conn., and Atherton Hastings, Florence, Ala.; two nieces, Elizabeth Lawton, Plainfield, Ind., and Helen Hastings of Washington, D. C.

Private funeral services were held Saturday afternoon at the Greenleaf funeral home, Bethel, with Rev. Clifford Laws officiating.

Miss Rose Rozek returned to her home in Berlin, N. H., from the St. Louis Hospital, Berlin, last week.

The evening meeting of the W. S. C. S. will be tonight at the home of Mrs. Betty Perkins at 7:30.

Eugene Tebbets is at his home for a week from Harvard, and Stephen Trinward is home from Tufts for the week.

Mr. and Mrs. Harvey Sweetser, Jamaica Plain, Mass., spent the week end in town visiting with relatives and friends.

Miss Mary Belle Bennett of Portland spent the week end with her parents, Mr. and Mrs. Gard Bennett of Northwest Bethel.

John Currier returned from the Rumford Community hospital last Wednesday after being a patient there for nearly three weeks.

HOW MUCH IS ENOUGH?

Ever worry if you have enough insurance on your home? With a Homeowners Policy, check yourself with this simple formula:
To rebuild my dwelling at today's prices would cost me \$_____
To get full restoration up to policy limits, the amount must be 80% or more of the above.
Need increased amounts? Call the one agent who can serve all your insurance needs.
